

DONATIONS

January 12, 2012

Dear Spartanburg Christian Academy Friend,

We are excited to introduce to you the 10th Anniversary Auction to be held at Spartanburg Christian Academy on April 27, 2012. Last year's auction was a tremendous success. Over 700 people attended and the funds raised through the silent and live auctions enabled us to upgrade 23 computers throughout the school. Our goal this year is to raise \$55,000 for an additional 35 upgraded computers and a new high school computer lab.

One of the most important activities of this event is the silent and live auctions. All items are donated by individuals and businesses who are investing in the future of Spartanburg Christian Academy. Additionally, the silent and live auction is a great way to gain exposure for your item and/or business. Please consider making a tax-deductible donation of a service or product to showcase at our silent and/or live auctions.

Spartanburg Christian Academy is a private school, founded in 1996, that provides a Christian based education for students in grades K3-12. SCA is a 501 (c) (3) organization.

Thank you in advance for your donation and willingness to invest in the lives of our students at our 10th Anniversary Auction. If you have any questions, please e-mail us at janet728@charter.net or call me at 864-327-7613.

With warmest regards,
