

## 2010 Spartanburg Christian Academy Graduate, Daniel Bolton

SCA is always happy to hear from its alumni and their successes in college and beyond. It is great to hear how God is using Daniel at Liberty University. He received the Strategically Serving Award, which is the highest award given to Spiritual Life Director at Liberty. He was also selected to be in the VIP section during Mitt Romney's commencement address at Liberty University. This summer Daniel will be doing an internship with Senator Jim DeMint. Daniel also writes as a Yahoo! contributor where he has submitted many articles especially relevant to young adults. Daniel says, "My goal is to publish culturally relevant articles that everyone can read and understand. I do not strictly stay on politics and religion but like to branch out and cover social media, literature, and sports." SCA is so proud of Daniel and his leadership at Liberty University!

Michael Miller, associate director, states, "This Spiritual Life Director is one of the most strategic leaders his Resident Advisor has ever had. At the beginning of the year he took time to write every guys' parents a letter thanking them for allowing their son to be on the dorm. He is always going out of his way to make guys feel encouraged and loved. He recently typed up the entire Resident Advisor Manual and made it into an interactive iBook. He has blessed his Resident Advisor and his wife multiple times with cookies, gifts, etc. This SLD has gone and done secret jobs at Associate Director's homes, just to bless them without them knowing. Because of his humility and true servant's heart, this SLD will be frustrated and embarrassed at receiving this award because he will think someone else deserves it more than him. The Strategically Serving Award involves an SLD who goes above and beyond, and the RD says this SLD's full name should be Daniel "Above and Beyond" Bolton."
