

Grandparents' Day 2011

SCA hosted Grandparents' Day on Monday, November 21st. We were so happy to have over 250 grandparents visit and have a traditional Thanksgiving lunch on campus! The family plays such a vital role in a child's life and grandparents are no exception! Grandparents' Day was a time set aside simply to allow our students to spend some extra time with their grandparents during this busy time of year. SCA will always appreciate the wisdom and support grandparents provide in our students' lives. It was a great day at Spartanburg Christian Academy!
