

TOM VEST  
2009 SPARTANBURG CHRISTIAN ACADEMY ALUMNUS  
A HEART FOR MISSIONS

Tom's first experience with foreign missions was when he went with SCA's basketball team and coaches to Costa Rica in the summer of 2008. He then went with Impact Sports to Ghana in January of 2011 and felt a true call to missions. Tom then spent a month in China in the summer of 2011, and since returning home has been searching for a way to go back. That search ended when he accepted a job to teach English and coach basketball in China for the Spring Semester, with the option of staying for a full year. SCA is so proud of Tom and his obedience to go where God leads him!
