Exclusive information about the
SCA Family!

Mrs. Locke is a grandmother! Baby Ryleigh was born Monday, January 23rd. Congratulations, Mrs. Locke and family!

SCA's gym was brought to life when our high school students helped host a Special Olympics event last week. Our students helped teach basketball skills to the Special Olympics athletes.

Which faculty member has a twin sister?

MRS. CHRISTOPHER!

She and her twin sister, Dawn, were born on May 27th. Dawn was born at 11:40 pm and Mrs. Christopher at 11:50. Had she been born 10 minutes later, she would have had a different birthday, but still been a twin!

Look in next week's edition for information about an upcoming wedding for one of our SCA graduates!
