Exclusive information about the  
SCA Family!

Recently, Mrs. Nusz' Cultural Studies classes sent care packages to missionaries around the world. The packages mostly contained snacks and goodies that the missionary kids can't always find or have on the mission field. The Kirkpatrick's sent a thank you note and pictures back to Mrs. Nusz . The Kirkpatrick kids were very excited to receive the package and snacks! What a fun way to show love and generosity to our missionaries!

Mrs. Renee Burdick's daughter, Elizabeth, has a birthday on February 29th. Since she was born in a leap year, her birthday only comes around every four years! The joke is that she'll be getting a car for her 4th birthday this year, but she's really turning sixteen!
