

# The Warrior Witness

Exclusive information about the  
SCA Family!

Many SCA students were in Sunday night's children's musical, Happily Forever After, on campus at First North. The play clearly presented the gospel and taught how only the narrow road leads to true contentment, Daily Bread, and an eternal life with the Savior. Our students did such a great job memorizing lines, motions, and songs! A special thanks to Mrs. Ann Bolton for her leadership and dedication to the play's success!

The Arp family was really hoping for some snow this winter! Samantha and Mallory got tired of waiting on snow so they decided to go "yard surfing" on the sleds they received for Christmas. It was fun, creative, and great exercise. It looks like we'll all be waiting one more year for the perfect sledding weather!
