

960 Pairs of Shoes Donated!

In just three days, Spartanburg Christian Academy students donated 960 pairs of shoes! The donated shoes have been taken to Chosen Children Ministries and other local missions organizations here in Spartanburg. SCA thanks Casey Ford, an SCA senior, and her assistants for collecting and organizing the shoes each day. Casey was made aware of the need for shoes locally and around the world, and had a clear vision for this project. "One Day Without Shoes" encouraged SCA students to think about how meeting physical needs first can then open up doors to help reach people for Christ. Once again, the generosity of SCA students and parents is overwhelming, as were the piles of shoes!
